

ICAP Provides Fair Coverage

ICAP now offers casualty and property coverage packages to Iowa Fair boards! This capability came about after Iowa Code section 670.7 was amended in 2008; thus, designating fairs as municipalities for the purpose of joining a local government risk pool.

Not long after, the Association of Iowa Fairs (AIF) unanimously endorsed ICAP as the Association-sponsored property & casualty coverage provider for all Iowa Fairs. Since then, ICAP has quoted over 60 Iowa fairs, 39 of which have joined the Pool.

AIF Executive Director, Tom Barnes, stated "ICAP represents an opportunity for superior coverage and reduced cost" for Iowa Fairs and he is proud "to offer such a quality program for consideration."

In addition to superior coverage and reduced costs, fair boards joining ICAP will receive on-site loss control, hands-on training and access to over 10,000 training materials via an Online Resource Library.
